

Meeting Date: January 28, 2008

Agenda Item No. 11

Agenda Item: Wolf Update

Approved by: _____

Prepared by: Jim Unsworth

Background:

In March 2008, Northern Rocky Mountain gray wolves were delisted and returned to state management authority. In July 2008, a federal judge issued an injunction against the U.S. Fish & Wildlife Service decision to delist the Northern Rocky Mountain gray wolf, remanding wolf management back under federal regulations.

Statutory Authority and/or Policy Issues:

Current authorities for management of gray wolves in Idaho are provided through the Endangered Species Act and the 10(j) rule (revised in 2008) for nonessential-experimental gray wolf populations.

Public Involvement Process:

None.

Staff Recommendation:

None. This agenda item is to provide an update to the Commission on implementation of the Commissions wolf management directives.

Justification:

Information only.
