

2015-2016 & 2016-2017 Mountain Lion Hunting Seasons

General Rules

Kittens, Female With Young: Neither spotted mountain lion young nor female mountain lions accompanied by spotted young may be taken.

Evidence of Sex must be left attached to the hide of any mountain lion taken. For mountain lions, external evidence of sex (either scrotum, penis, or testicles for males, or vulva for females) must be left naturally attached to the hide until the mandatory check requirement has been satisfied.

Bag Limit: No person may take more than one mountain lion per legal tag in his or her possession.

Mandatory Check and Report: Any hunter killing a mountain lion must, *within 10 days of the date of kill (Note: where there is a female quota, hunters must report within 5 days):*

- Present the skull and hide to an Idaho Fish and Game conservation officer, regional office or other official checkpoint for removal and retention of a premolar tooth and to have the hide tagged with an official state export tag. No person, who does not possess a fur buyer or taxidermist license with appropriate import documentation, shall have, except during the open season and for 5 days after the close of the season, any raw mountain lion pelt that does not have an official state export tag attached (either Idaho's or another state's official export documentation).
- A hunter may authorize another person to comply with the above requirements if that person possesses enough information to accurately complete the necessary form. Proxy statement required, see page 100.
- **Please thaw your mountain lion hide and skull before bringing it in for tagging or staff members may not be able to check a frozen hide or skull.**

Fish and Game's headquarters office is not equipped to check mountain lions. In the Boise area, these animals can be checked Monday through Friday, at the Fish and Game regional office in Nampa, 3101 S. Powerline Rd, 208-465-8465, between the hours of 8 a.m. and 5 p.m.; or by appointment at the Garden City facility, 109 W. 44th St., 208-327-7095.

Capturing Mountain Lions: No person may trap, snare or otherwise capture or hold any mountain lion.

Big Game Feeding Sites: It is unlawful to hunt or pursue mountain lions within one-half mile of any active Fish and Game big game feeding site.

Every year, 32 lucky hunters walk into the field with special Super Hunt tags in their pockets. These tags allow a hunter to pursue an elk, deer, pronghorn or moose in any open hunt in Idaho. This thrill is quadrupled for two Super Hunt Combo winners who are able to hunt all four species in any open hunt.

The unqualified freedom to pursue world-class big game in Idaho is an experience winners will long remember.
