

2015 & 2016 Deer Hunting Seasons

Hunters with valid Idaho licenses and tags in their possession can hunt mule deer and/or white-tailed deer.

How many deer can I harvest? In general, the answer is one deer per hunter per year. However, a few controlled hunts and depredation hunts offer the opportunity for hunters to harvest additional deer. Deer hunters also may buy leftover nonresident deer tags at the nonresident price to harvest a second deer. A hunter may take only one deer per valid legal tag in his or her possession.

Note: Residents or nonresidents may buy one unsold nonresident general season deer and elk tag at the nonresident price starting August 1, to be used as a second tag.

Youth hunt only: Some deer hunts are for youth only. See page 105 for more information.

Antlered deer: Deer with at least one antler longer than 3 inches. In "antlered only" seasons, or any hunt with point restrictions, antlers must accompany the carcass while in transit.

Antlerless deer: Deer without antlers or with antlers shorter than 3 inches may be taken in a season open for antlerless deer or either sex.

Two-point deer: Deer with no more than two points on one side, not including the brow point or tine, and at least one antler longer than 3 inches (as long as a deer has no more than two points on one antler, it may have multiple points on the other antler). A point is an antler projection that is at least 1 inch long and longer than the width of the projection.

Three-point deer: Deer having at least one antler with three or more points, not including the brow point or tine.

Species identification: In seasons restricted to mule deer only or white-tailed deer only, if the head is removed, the fully-haired tail must be left naturally attached to the carcass.

Archery and Muzzleloader Permits

Any person hunting in an "archery only" season, including controlled hunts, must have their license with archery permit validation.

Any person hunting in a muzzleloader only season, including controlled hunts must have their license with muzzleloader permit validation.

Nonresident Deer and Elk Tags

Nonresident deer and elk tags, **excluding** Nonresident Junior Mentored/DAV deer and elk tags, are valid to take a black bear, mountain lion or gray wolf instead of a deer or elk, if a season is open for that species, where and when the deer or elk tag is valid, and if there is an open deer or elk season in that same unit. See page 110.

Attention Deer Hunters!

Deer hunters may choose either a regular deer tag or a white-tailed deer tag. The regular deer tag is valid for any hunt listed under "2015 & 2016 Regular Deer Tag Seasons" on pages 8 - 13 and may be used to take a mule deer or white-tailed deer during those seasons.

The white-tailed deer tag is valid for white-tailed deer only, for any hunt listed under "2015 & 2016 White-tailed Deer Tag Seasons" on pages 15 - 18.

For information on Chronic Wasting Disease please see page 31.

Hunting Passport

There is simply no better way to introduce a new hunter to the safe, ethical and responsible aspects of hunting than with the close supervision of an adult mentor.

Idaho's Hunting Passport is a component of Fish and Game's mentored hunting program. The Hunting Passport allows any first-time hunter, resident or nonresident, age 8 and older to try hunting with an adult mentor without first having to complete an Idaho hunter education course.

- Hunting Passports are only available to first time hunters. Those that have previously held a hunting license in any state are not eligible.
- Hunter Education certification is not needed to obtain a Hunting Passport. If an individual has completed a Hunter Education course but has not yet purchased a license, they are eligible for a Hunting Passport.
- The minimum age to hold a Hunting Passport is eight years of age; there is no maximum age.
- The Hunting Passport is a calendar year item just like a hunting license and expires on December 31 of the year in which it was obtained.
- Only one Passport can be purchased in a lifetime—except an 8 year old may obtain a second passport at 9 years old. To continue hunting after the Passport expires, completion of a hunter education course and license purchase is required.
- Hunting Passports are available at license vendors, online and Fish and Game regional offices.
- Cost is \$1.75.

Idaho's Mule Deer Initiative

Mule Deer numbers across much of their range in Idaho have increased recently following multiple mild winters and good habitat conditions, but there's still work to do. The Mule Deer Initiative (MDI) continues to work with private landowners and land management agencies to:

- **Protect and improve habitat**
- **Improve mule deer numbers**
- **Provide a variety of hunting opportunities**

Photo Courtesy Randy Martinez

Getting things done for mule deer requires partnerships.

We're currently working with:

- The **Bureau of Land Management** to restore critical winter range in the Soda Hills and other areas across southern Idaho.
- The **Caribou-Targhee and Salmon-Challis National Forests** to improve and expand aspen stands which are critical during fawning.
- The **Sawtooth National Forest** to provide increased infrastructure to reduce motorized travel impacts on critical big game habitat.
- The **Idaho Transportation Department** to develop strategies to reduce deer-vehicle collisions.
- The **Farm Service Agency, Natural Resources Conservation Service, and hundreds of land owners** to improve thousands of private land acres for mule deer and other wildlife across southeast Idaho.

If you're interested in improving your property for mule deer, contact your regional Fish and Game office and ask them to put you in touch with MDI staff.
